Looks good! I had just one minor suggestion (same comment two places).  
Thanks.  
Carrie

Carrie,

Matt provided some helpful feedback over the phone. I am attaching his comments that I incorporated in redline, FYI.

(If you are already making comments on the version I sent earlier, no need to switch – I will add your comments to the attached version.)

Matt and Carrie,

I welcome your input. I tried to strike a balance between leadership's request for a strong letter and a reluctance to undermine our relationship with FDEP staff. Once you have reviewed, I can send to our clients.

Thanks for your attention!
